

HYMNS OF RESURRECTION

Starting on April 8th at All Saints Pavement we are to have a series of “Hymns of Resurrection” .This takes place during Evensong when, before the final hymn of the service, there will be a short reflection about it so that we enjoy singing it all the more. The reflection may be about the story that inspired its writing, or its author or its meaning or other aspects of the hymn. The hymns are in historical order and are:-

April 8th Light’s glittering morn (4th century);

April 15th The day of resurrection (8th century) ;

April 22nd Ye choirs of new Jerusalem (11th century);

April 29th O sons and daughters (15th century);

May 6th Love’s redeeming work is done (18th century)
